

IMPORTANT - BUILDING WORK

25.5.23

Dear Parents

Our building work will begin during the May half term. It will start with the removal of trees to the front. Additional trees have been planted to support the loss. The internal of the classrooms will not be effect as the education of the children is paramount. However, there will be lots of disruption to the front of the school.

Unfortunately, due to the length of time building work is taking as well as getting materials on site, we will see this work heading well into the autumn term with the final result being late November to early December. This will cause some issues so I ask all to be patient.

There will be a temporary front door being put into school as the main entrance will be sectioned off whilst the foundations are being built.

After half term, there will be a slight change to the start and a staggered finish.

To try and help the limited space and congestions we will open the front door from 8:40am.

Siblings will leave at 3:05pm and non-siblings will leave at 3:15pm.

This is to try and spread the limited parking and limited space. We will trial this for a few weeks and see if it helps.

We urge parents at the start of school and particularly the end, to drop off / collect and go. Please try not to hang around. I have numerous aggressive call and emails from local residents and I am anticipating the building work will cause more. Can we be mindful of where we park?

It is an exciting time for the school and something we have waited for 3 years to happen. It will be worth it for the children and staff but will be a challenge in the process.

Thank you for your patience and enjoy your half term break.

Mrs Scott

Headteacher

Important Dates for the rest of the Summer term

(There have been some changes)

Monday 5th June – Term begins.

Doors open 8:40am and staggered finish begins with 3:05pm siblings then non-siblings 3:15pm
