Y3-6 Holy Communion

22/9/23

Dear Parents/Guardians,

I am in the process of contacting those families that have applied for First Communion at St Peter and Paul Parish. The deadline for the application to come into school is Friday the 29th September. You can apply after this directly to the Parish.

The St Mary's children and families who have or intend to apply will be invited to the first meeting (Treasure Hunt) and will be given the resource pack and information about future meetings. School will begin the preparation classes after the October half term as long as the children have attended the first meeting from one of the dates below at St Peter and Pauls.

The Parish are asking each family for £10 to defray the costs of the resource material for the whole course. This can be paid at the first meeting. After the first session, further sessions will be held in school.

Father John has given a choice of dates for the first meeting at St Peter and Paul's as the: 10th, 12th, 17th, 24th October 3.45 pm or an additional option at 6pm on 24th October (Half Term) Children must be accompanied to this session by their parent/guardian. Please let Father John know if and when you will be attending on 01519283456.

If your child makes their Holy Communion at their local parish, please let the school know so we can celebrate the children in assembly. If you would like your child to make their Communion at St Mary's Church, you would need to contact Father Harrington on 0151 924 1783 or 0151 931 4993. All parishes have different dates and preparation requirements so please contact your local priest.

Thank you once again for all your continued support in encouraging the children to continue their faith journey.

Kind regards

KScott
